

*"I have been part of the Home Improvement Mile for 8 1/2 years and am thrilled with the growth as many of the new businesses are complementary to each other. I have always felt you can build and furnish your home in this short stretch because there is so much talent and community spirit."*

~

**Teri Cardinelli of Cloth Interiors**

*"Businesses and homeowners benefit from the Home Improvement Mile and the brand the chamber has helped create. Hancock Lumber is fortunate to be situated in the middle of this stretch of Route 1, offering convenient access to a myriad of products and services for contractors and do-it-yourselfers alike from new construction to remodeling projects to hardware store supplies and kitchen design."*

~

**Erin Plummer, Director of Marketing  
Hancock Lumber**

The Home Improvement Mile on Route 1 south of downtown Kennebunk, Maine, is a regional destination for residential home improvement as well as commercial construction.

Kennebunk's "home stretch" is where you can find everything you need to build, maintain and improve your home!
