Did you know...?

...that Garden Street Bowl takes its name not only from the street it's on, but from the grocery store – Garden Street Market – that used to occupy the space. Its restaurant – Crotux – besides being delicious, takes its name from nothing at all. It was made up by the owners.

please be patient & kind

Many of our businesses are experiencing staffing shortages as we head into the busy season. Please be patient and kind with staff while understanding that everything may take a little bit longer.

Thank you for your support.
