NIGHT WALK AT HIDDEN POND

Put your flashlights in your pocket and take a walk in the woods from 7-8:30 p.m. Sunday, March 20.

Really! We'll practice our night vision and open our other senses. We'll answer questions you didn't even know you had! How much can we see, smell, hear at night? Where is the moon? What animals are out at night? How do they survive the winter? Is night vision different from day vision? Do heads really disappear when we look straight at them in the dark? Take a 'Night Walk' and find out! Gain confidence and have some great stories to share over dinner.

Jeanne is a Marine Master Naturalist, previous professional work for many years in ecology and restoration of natural communities.

\$40 per person, 10 guests maximum. Book Online: <https://www.hiddenpondmaine.com/exclusive-experiences/>

DADDY LONG LEGS

Biddeford City Theater presents "Daddy Long Legs" from March 11-27.

"Daddy Long Legs" is a heartwarming Cinderella story starring real-life couple Jackie Grigg and Joseph Hitchcock. Jackie plays Jerusha Abbot: a witty and winsome young woman and the "oldest orphan in the John Grier Home." Joseph plays Jervis Pendleton: her young, handsome, and mysterious benefactor. Based on the treasured novel by Jean Webster, with music and

lyrics by Tony Award-nominated lyricist Paul Gordon (Jane Eyre) and book by Tony-winning librettist and director John Caird (Jane Eyre & Les Misérables), this old-fashioned love story is about finding "The Secret of Happiness" in unexpected places.

All seats are \$25 per ticket. Call the Box Office at 282-0849 or Citytheater.org.
