Get out and enjoy the Kennebunk Land Trust's properties that are free and open to the public!

**Best thing you do/serve:**

The best thing we do is foster collaboration among individuals to promote our mission of conserving and stewarding land to benefit both natural and human communities.

**Something people don't realize about your business/services?**

We are always looking for new members and want to strengthen our connection with current members. If someone wants to become more involved and connected through volunteerism, or share ideas with our committees and staff, or become more involved through our events and programs, we welcome collaboration and community engagement! Don't be shy!
