Your primary business/service offered:

Properly Posh Pets creates and sells pet party supplies, including party guidebooks and party kits, and pet fashion, including bandanas, bowties, and bows to provide help in planning sophisticated, whimsical parties to celebrate your pets. Our award-winning party guidebook, "Posh Celebrations," includes a year of themed parties celebrating pet birthdays and adoptions, and our entertaining Posh Party Kits have now been released – Party Animal Cookie Cutters, The Salty Dog Party Kit, and the Happy Birthday, Make a Wish Party Kit. We also design and sell pet bandanas, bows and bowties to coordinate with our party themes.

What makes your business special?

Our products recognize the importance of our furry

family members and friends in people's daily lives. They teach us how to celebrate life with love and laughter, and our company products give you what you need to plan those special celebrations!

Best thing you do/serve:

A portion of the proceeds from company sales is donated to The Posh Fund at the Animal Welfare Society of Kennebunk to help animals in need of medical care.
