April programs at the Wells Reserve

April 9, 10-11:30 a.m. Welcome Spring Walk.

It's time to look for signs of spring at the naturally beautiful Wells Reserve. Are new shoots coming up? Are flower buds bigger? Is the air lighter? What birds and bugs are returning? Join Maine Master Naturalist Linda Littlefield Grenfell to welcome spring with shared laughter and stories. \$8/\$6 or \$20/\$15 per family. Space is limited and registration is required at 207-646-1555 ext 116 or suzanne@wellsnerr.org. FMI wellsreserve.org/calendar.

April 13, 11 a.m.-12:30 p.m. Wednesday Walk.

Almost a month into spring, what's happening along the trails of the Wells Reserve? Explore nature through a creative lens while walking a mile or more in about 90 minutes. Free. Registration required at caryn@wellsnerr.org or 207-646-1555 ext 110. FMI wellsreserve.org/calendar.

April 14, 10:30-11:30 a.m. Preschool Story Hour.

Join Wells Reserve Education Director Suzanne Kahn to explore woodland animals through an outdoor reading of "Over in the Forest" and playful discovery along the trails. For ages 3 to 5 and their caregivers. Free. Registration required at suzanne@wellsnerr.org or 207-646-1555 x116. FMI wellsreserve.org/calendar.

April 14, 7-8:30 p.m. Woodcock Watch.

Take to the trails of the Wells Reserve at dusk to experience the remarkable aerial courtship "sky dance" of the famed timberdoodle. Individual \$8/\$6, family \$20/\$15. Registration required at suzanne@wellsnerr.org or 207-

646-1555 x116. FMI wellsreserve.org/calendar.

April 16, 7-9 p.m. Full Moon Walk.

Join Maine Master Naturalist Linda Littlefield Grenfell for a slow and quiet walk to Laudholm Beach. We'll watch the moonrise, share stories and poems, and enjoy the Wells Reserve after dark. Bring the family; children who can be calm will love the experience. \$8/\$6 individual, \$20/\$15 family. Registration required at suzanne@wellsnerr.org or 207-646-1555 ext 116.

April 19, 10:30 a.m.-12 p.m. Family Nature Trek.

Discover the trails of the Wells Reserve while searching for signs of spring and enjoying stories about plants and animals. This program is great for families with kids ages 5 to 15, but younger siblings are welcome

April 21, 10 a.m.-12 p.m. Best Man- agement Practices for Landscapers and Homeowners.

Soil erosion can affect new or estab-
lished residential properties, causing

problems with
lakes, ponds,
streams, and wet-
lands. Learn how
proper site design,
plant selection, and
other ecological considerations can
control erosion on residential sites.
The workshop will also include infor-
mation on regulations and permits, the
importance of using appropriate vege-
tation, and tools for creating resilient
residential landscapes. This course is
intended as continuing education for
Certified in Erosion Control Practices,
but anyone can attend. Free. FMI
