Eat the Kennebunks Week will be a cuisine-centric celebration stretching from May 9-15, 2022.

Sponsored by Alisson's and Ben & Jerry, this will be the fifth year for Eat the Kennebunks Week, and we're excited to have people try new experiences or old favorites.

During this week, there will be everything from burger and beer specials to traditional restaurant week-style prix fixe dinners.

New this year we have a number of breakfast and lunch options, including Boulangerie, Mike's American Diner, Mornings in Paris, Mike's American Diner, Coffee Roasters of the Kennebunks and The Blue.

Alisson's is back

with a burger and beer, while the Boathouse, Bandaloop, Sebago Brewing, Stripers and Chez Rosa are serving up a multi-course meal.

Batson River is offering cocktail and appetizer deals, while Ben & Jerry's brings in yummy ice cream for dessert.

So put on your stretchy pants and bring your appetite, because local restaurants are cooking up a treat for you!
