Earrings Galore Jewelry Workshop

Adults ages 21+

Friday, July 15, River Tree Arts
5-7:30pm

Have you ever wanted to make your own fantastic, fun, one-of-a-kind earrings without having to use a torch? Then cold connection jewelry making is for you! In this enjoyable,

informative workshop, you will learn the basic mechanics of working with a variety of metal components like wire, chain, metal findings - jump rings, headpins, ear wires - and requisite tools such as jewelry pliers, to create original, professionally-finished earrings without the use of solder and heat.

You're welcome to bring a refreshment of choice, including beer and wine.

An enticing array of beads, baubles, semi-precious stones, freshwater pearls, crystals and charms will be available to incorporate into your designs. And the best part:

You'll leave with 3 or 4 pairs of ready-to-wear earrings of your own design (possibly

more, depending on your skill-level/complexity of design) to keep for yourself or give away as gifts!
