

# THE PORT BOX CO.

**Owner Nikki Ranwell**

**How long in business?:** We launched the first week of June 2021.

**Primary business/service offered:** Curated boxes of artisanal cheeses and charcuterie, all of which are hand-selected with meats imported directly from Italy. Order one day and get delivery the next day. Each box serves 4 people. We deliver to the coastal towns of Ogunquit, Wells, Kennebunk, Arundel, Kennebunkport, Biddeford Pool and pick up in Portland.

**What makes your business special?:** We select the highest quality ingredients for our Charcuterie Box. All you need to do is unwrap the contents and pop them onto a charcuterie board; included in the box is a postcard with an idea of how to lay out your charcuterie board.

**Best thing you sell/serve/do?:** Attention to detail and personal customer service with a smile! Nikki will be delivering directly to your door and handing over the charcuterie box where 'Deliciousness Awaits.'

**Something people don't realize about you/business?:** Having always had a love of cooking and entertaining, Nikki came up with the idea of delivering charcuterie boxes to the coastal towns in and around the Kennebunkport area. Nikki's background in catering and cooking goes back to her days of helping her friend in the UK some 20 years ago where she cooked for royalty on several occasions along with a certain Beatle whose name begins with R! If you want to know more about the 'coffee mug' comments story regarding Princess Diana, then please go ahead and ask Nikki when you see her!
