

# SPOTLIGHT

a weekly feature of the Kennebunk-Kennebunkport-Arundel Chamber of Commerce

## RideMaine

### Owners:

Michelle Blew and Dave Cravedi

### How long in business?

Since May, 2022

### Primary business/service offered?

Local shuttle service; rides in and around the port, to and from local businesses and attractions.

### What makes your business special?

We saw a need for local transportation services. We are not the first to do so, but presently we are the only ride service in town. Owners Dave and Michelle share a commitment to public service, and this is just one way in which we can be of service in the Kennebunks.

We receive requests of all kinds and enjoy driving groups around town. We have shuttled wedding parties, provided last minute rescues for families needing to go to the airport, taken special requests for rides by the beach and so much more!

### Best thing you sell/serve/do?

We provide a fun and safe alternative to driving. A stress-free solution to traffic and parking. We help to minimize traffic congestion in town and allow people to spend less time searching for parking and more time exploring and enjoying the port. It's more than a ride, it's an experience. Children and adults alike love riding on the golf carts and everyone leaves with a smile.

### Something people don't realize about your business?

We will arrive to pick you up in our street-legal golf carts. Our low-speed vehicles go 25-30 mph & we are not able to travel with them on any road with a speed limit over 35 mph. We also have an SUV used for longer rides! Longer trips must be booked at least 24 hrs in advance. RideMaine is safe & reliable. You can book a reservation in advance or call/text same-day.
