Light show is out of this world!

Have you seen it yet? Sandy Hill Farm's new light show is "out of this world"! The Eliot property is a magical journey through thousands of lights around the universe, through the solar system, the Earth and warp speed from galaxy to galaxy.

This is the third light show for the Widi family, perfect for the family with an emphasis on outdoor fun, wonder, creativity, immersive and interactive. The walk is a 3/4-mile walk similar to past shows, and they have added some mind-blowing lasers, neon, fiber optics, computer-generated lights, and projection that will amaze and astound your senses! Most of this technology will only be on display this fall so you do not want to miss it.

Open September 29th through October 29th. We can't wait to see you! Remember, tickets must be purchased in advance. Our weekends are usually sell outs so you may want to circle that date now or consider one of our weekday or later night times. Wednesday through Sunday nights through Oct. 29. Tickets are \$11, plus a \$2 booking fee per ticket; children age 3 and under are free.

Sandy Hill Farm is located at 34 Sandy Hill Lane in Eliot. For direction and tickets, visit www.sandyhillmaine.com.
