# Haunted Trolley Tour at Tides

Some say that The Tides Beach Club's original owner, Emma Foss, is still keeping watch over her life's work — even in death. Guests experience whispers behind them, only to turn around and find there's no one there. Furniture is moved in the middle of the night. Lights in the attic can frequently be seen but — there are no lights in the attic. Join us at The Tides Beach Club on Oct. 26 at 5 p.m. where we'll board a trolley and journey into the night to see some of Kennebunkport's most haunted locations. The harshly beautiful coastline of Kennebunkport, Maine has a long history of storm, revolu-

tion and folklore that seems to lure deceased residents from the ether. Join Maine's mystery maven as she delves into the chilling secrets and ghostly lore of York County on this curious trolley ride.

Our tour will begin and end at The Tides Beach Club, enjoy happy hour cocktails from 3-5 before getting spooked! Buy tickets on Eventbrite.
