

Woof Works Training

Owner?

Mike Armstrong

How long in business?

6 years!

Primary business/service offered?

We offer dog training services including one-on-one training, agility training, stay-and-train and much more!

What makes your business special?

We only do private training sessions which allows us to get to know your dog's unique challenges, customize a training plan for you and help you become a better trainer for your dog.

Best thing you sell/serve/do?

Coach owners on how to become better trainers for their dogs. Since you spend the most time with your dog, effective training is a must.

Something people don't realize about your business?

We also do board & training to fast track your dog's training and target specific problem areas.
