

SPOTLIGHT

a weekly feature of the Kennebunk-Kennebunkport-Arundel Chamber of Commerce

Freedom Boat Club of Maine

How long in business?

We opened in 2017. Our newest location in Kennebunk will open May 15, 2024.

Primary business/service offered?

Boat club membership.

What makes your business special?

FBC offers an affordable alternative to boat ownership. Our friendly staff takes care of all the repair or cleaning concerns so members can just enjoy creating memories on the water with their family and friends. Membership options provide unlimited boating at the 7 locations in Maine including Boothbay, Yarmouth, Naples, Sebago Lake, Portland, South Portland, and Kennebunk. Plus members can also explore boating at 400+ clubs across the globe at no extra charge.

Best thing you sell/serve/do?

FBC Membership is perfect for those that enjoy variety and flexibility. Members can enjoy a low key casual cruise on a pontoon boat on the lake one day and then an epic saltwater fishing outing with friends on a center console the next. A variety of fleet vessels available.

Something people don't realize about your business?

Membership in FBC also includes unlimited boat navigation and safety training. Our team of licensed U.S. Coast Guard Captains help both novice and experienced boaters hone their skills so they can feel safe and confident.
