Bangor Savings Bank

How long in business?

Bangor Savings Bank was founded in 1852 and is in its 172nd year. This is our 69th branch overall, our 61st branch in Maine, and our first branch in Kennebunk.

Primary business/service offered?

Bangor Savings Bank, with over \$7 billion in assets, offers retail banking, business and comprehensive commercial banking, payment and corporate services, HR and payroll technologies, merchant solutions and more.

What makes your business special?

Bangor Savings Bank is a mutual bank which allows us the flexibility to invest in, support, and give to initiatives of our choice. Bangor Savings Bank and The Bangor Savings Bank Foundation invested more than \$3.5 million into the region through sponsorships, grants, and partnership initiatives last year.

Best thing you sell/serve/do?

We take great pride in delivering our You Matter More promise to help our employees, customers, and communities thrive and prosper. We are thrilled and honored to join this community.
