KBK Protein Place

Owner?

Vanessa and Marty McCarthy

How long in business?

Since July 2023!

Primary business/service offered?

Meal replacement shakes, clean energy teas, herbal teas, acai bowls, protein balls and protein fueled snacks.

What makes your business special?

We are a community centered nutrition store that prides itself on a warm and welcoming atmosphere. We not only serve up delicious drinks and protein fueled snacks but we also educate people on how to lose weight, build lean muscle and gain energy! We are here to help people feel better from the inside out.

Best thing you sell/serve/do?

Our meal replacement shakes and clean energy teas.

Something people don't realize about your business?

How convenient our location is with plenty of parking! We offer a variety of plant based, vegan and whey protein.
