Primary business/service offered?

KPort Concierge is a luxury vacation rental management company in Southern Maine. We are committed to providing our homeowners a hassle-free experience with renting out their property. Our services extend to both the homeowners, their guests and include reservation management, rental season preparation, general maintenance services, support before and during the guests' stay, concierge services and more.

What makes your business special?

We love where we live and we are passionate about what we do. We love growing close with our homeowners who cherish our community and meeting guests who travel to us from all over the world. We love learning about the rich history of this area and partnering with local businesses to curate unique experiences for our visitors. Our desire to create unparalleled experiences makes KPort special.

KPORT CONCIERGE

Best thing you sell/serve/do?

Our team is passionate about providing recommendations, drawing business to locally owned establishments, arranging unique experiences to create everlasting memories and catering to the needs of homeowners and guests. We also realize there is a delicate balance managing short term/long term rentals and a priority of minimizing any disturbances to the community. We are honored to represent this area and want to serve homeowners, guests and the community alike.

Something people don't realize about your business?

Our team is not only dedicated to our homeowners and guests, but we are also devoted members of our community. We are active participants of the KKA Chamber of Commerce, Biddeford & Saco Chamber of Commerce, Kennebunkport Business Association, local school committees, volunteer groups and donate to local organizations that benefit our area.
