

SPOTLIGHT

a weekly feature of the Kennebunk-Kennebunkport-Arundel Chamber of Commerce

Salt & Sand Fine Art Gallery

Owner?

Deanna Neal

How long in business?

9 months

Primary business/service offered?

Salt & Sand Fine Art is a locally owned and operated Fine Art Gallery here to serve the art community, its art enthusiasts, art collectors and the like. We offer a vibrant space for all to enjoy whether you are here to take in the beauty and creativity our founding artists have to share, or you're an avid collector searching for that perfect piece. With rotating exhibitions and interactive workshops, we invite you to immerse yourself in the beauty of self-expression and join us on a journey of artistic discovery.

What makes your business special?

In a world of online shopping, we are going back to our roots of providing an in-person approach to enjoy, appreciate and purchase art. Our artists will be available at the gallery face to face providing a more intimate experience. We will also be providing educational programs and special events in the near future.

Best thing you sell/serve/do?

Provide a fresh color to the growing creative community of Kennebunk in an intimate casual setting.

Something people don't realize about your business?

We are not just a pop up, we are here to stay. We will be adding artistic workshops and classes in the near future.
