Gallant Home Installations

Televisions, shelving, artwork, and more

How long in business?

5 months in business, over 20 years experience.

Primary business/service offered?

Home installations: closet, pantry, garage and other organization systems, televisions, artwork, mirrors and indoor/outdoor furniture assembly. Also, window treatments and accessibility devices (grab bars).

What makes your business special?

We are family-owned and operated. We provide a niche service in the Southern Maine community.

Best thing you sell/serve/do?

Help people get settled and organized in their home.

Something people don't realize about your business?

The name says "Home", but we can also help business owners in their office, restaurants or retail space.
