

207 LASER

Owner?

Olivia Polselli

How long in business?

11 years

Primary business/service offered?

A trusted medical spa offering a wide range of advanced aesthetic treatments.

What makes your business special?

Our deep commitment to creating a supportive and empowering environment for our clients. Our clients aren't just another appointment—they become part of our community, where we focus on their long-term confidence and well-being. We also invest in continuous education for both our team and our clients, ensuring the highest standards of care and lasting results.

Best thing you sell/serve/do?

We aim to enhance our clients' natural beauty while ensuring they feel cared for & confident throughout their journey.

Something people don't realize about your business/services?

How comprehensive & customizable our services are. Each service is tailored to individual needs & skin goals. Many of our treatments have little to no downtime, allowing clients to maintain daily routines while still achieving results.
