

# Turning Heads Hair Studio

## Owner?

Jenna and Cecile

## How long in business?

5 years!

## Primary business/service offered?

You're one-stop beauty destination. We specialize in professional hair care services and go beyond to offer a full of range of beauty treatments, including expert waxing, nail artistry and complete wedding services to make your special day unforgettable. Convenience is key - schedule appointments effortlessly through our online booking platform.

## What makes your business special?

We are a family-owned beauty haven. As a proud, women-owned business, we offer an array of exceptional talent with a cozy welcoming environment. Our quiet and intimate space is designed for relaxation, complemented by a wide selection of premium products to support your beauty routine.

## Best thing you sell/serve/do?

Your beauty, our passion!

We take pride in helping you achieve your desired look, whether it be a full vibrant coloring, precision hair cutting or seamless gray transitioning. In addition to expert hair care, we offer professional nail services, rejuvenating skin care treatments, relaxing massage therapy and ear piercing - all in one welcoming space.

## Something people don't realize about your business/services?

Unmatched expertise, exceptional care! Something many people don't realize about our business is that our talented team of three stylist brings over 70 years of combined experience behind the chair.
