

## Rococo Dessert Bar

### Owner?

Lauren Guptill

### How long in business?

1 year

### Primary business/service offered?

Dessert and cocktail bar.

### What makes your business special?

The Rococo Dessert Bar is a standout destination for those seeking an upscale and innovative experience. With a carefully curated menu that blends classic flavors with modern techniques, each dessert is a work of art, paired perfectly with craft cocktails & ice cream drinks that enhance the overall vibe. The bar's elegant atmosphere, combined with the legacy of the Rococo brand, offers a luxurious and memorable setting for both locals and tourists alike.

### Best thing you sell/serve/do?

Try our Baked Alaska, featuring, everyone's favorite: goat cheese blackberry chambord ice cream along with a lemon chiffon cake, and toasty meringue. Pairs delightfully with The Queen Has Spoken, our signature, interactive cocktail.

### Something people don't realize about your business/services?

We offer a full service dining experience in addition to our scoop shop. We have a full bar, along with many types of ice cream drinks & desserts. Reservations are not needed.
