

# SPOTLIGHT

a weekly feature of the Kennebunk-Kennebunkport-Arundel Chamber of Commerce

## Beach Tree Thrift

### How long in business?

Celebrated our 1 year anniversary on May 4!

### Primary business/service offered?

Charitable Thrift Store

### What makes your business special?

Being able to do what we love, while working as a family, and helping out the community. We are a recycled goods thrift store, working with the local community. Beach Tree Thrift donates a portion of all sales to the Community Outreach Service (COS) and accepts food donations on site. We keep our store filled with locally donated clothing, household items, furniture & more. Our goal is to create a unique community dwelling that recycles our surrounding towns items. We thrive on creating a new outlet for items instead of them going to the dump or corporate companies. We love the support we have had over the past year and couldn't have done it without the community.

### Best thing you sell/serve/do?

The best thing we do is help out the community and recycle products. We welcome every person into the store like it's our home. Beach Tree Thrift works closely with families in need of help while also providing a great outlet for affordable items for everyday shoppers.

### Something people don't realize about your business/services?

Many people don't realize that this store is fully ran by the three members of our family; Paige, Todd and Eli. We hope that one day we will be able to have some great volunteers and other staff members. A lot of people ask where we acquire all of our items - we are a fully donation based thrift store. We accept donations during our normal business hours.
