Blackrock Farm

How long in business?

Over 30 years!

Primary business/service offered?

Event venue, landscaping gardens & greenhouses, farm, and farmstand.

What makes your business special?

The unique blend of being both a farm and an event venue, where guests can experience the beauty and tranquility of farm life while enjoying an exceptional setting for their special occasions. Our farmstand, open to the public, offers a healthy variety of freshly picked, seasonal vegetables and beautiful cut flower bouquets, all grown right on our property. We also support local businesses by featuring a rotating selection of their goods.

Best thing you sell/serve/do?

Nestled in the heart of Kennebunkport, Blackrock Farm is a stunning, tranquil oasis offering the perfect backdrop for any event. Whether you're hosting an intimate rehearsal dinner or a grand celebration, our farm sets the stage for unforgettable moments and cherished memories.

Something people don't realize about your business/services?

We specialize in cultivating organic produce, vibrant cut flowers, and aromatic herbs, all grown with a commitment to sustainability. Our farm is built on eco-friendly practices that prioritize biodiversity and local sourcing, ensuring that we not only nourish our community but also protect the environment. The serene and natural setting of our farm creates a peaceful, picturesque backdrop, perfect for any event. From early summer to mid-fall, our farmstand is open to the public, offering affordable, high-quality produce to our community, making it easy to enjoy fresh, locally grown goods.
