## Kennebunk Physical Therapy

### How long in business?

We opened in April 2025!

### Primary business/service offered?

Physical Therapy

### What makes your business special?

At Kennebunk Physical Therapy, your goals become our mission. From day one, you'll feel heard, supported, and empowered to take back control of your body and your life. No rushed appointments. No one-size-fits-all solutions. Just expert, direct care designed around you. We provide personalized, one-on-one care in a private setting, ensuring that you have the full, undivided attention of your physical therapist throughout your entire session. There is absolutely no overlap with other patients, allowing for a focused and tailored treatment experience.

### Best thing you sell/serve/do?

We serve athletes of all ages for all sports and orthopedic issues. We also work with individuals with TMJ dysfunction, concussions and vestibular issues.

### Something people don't realize about your business/services?

Kennebunk Physical Therapy is located within Destination Fitness on Water Street. This gives Kennebunk Physical Therapy access to a full gym and equipment.
