River's Edge Spa & Salon

How long in business?

The business originally opened in 2003 & has been under new ownership since 2015. We just recently celebrated our 10 Year Anniversary!

Primary business/service offered?

Day Spa & Hair Salon offering massages, facials and waxing, and everything in the salon from colors to cuts and extensions.

What makes your business special?

When you visit us, you're not just scheduling a service—you're stepping into a community that's committed to your wellbeing. We strive to develop lasting relationships with our guests that are built on trust and professionalism, and aim for each experience to stand out as exceeding your expectations.

Best thing you sell/serve/do?

We are dedicated to a great experience— from the moment you walk into the door until you leave, we want our guests feeling special, cared for, and of course loving their results! It all comes down to small details for us that bring the whole experience together.

Something people don't realize about your business/services?

Shopping local makes a difference! Your support helps empower 25+ local women and their families. Our boutique is full of handpicked favorites to help you care for your hair, skin and self at home. Stop in anytime, our Guest Service team is always happy to help you out!
