What makes your business special?

KPT Helping Hand & Concierge Services in the Kennebunks is a one-of-a-kind time saving luxury experience. Excelling in personalized, professional services, I look forward to serving your needs while you enjoy your home, the beach, boating, and your family and company. Feel confident that my services will have you indulging in care free vacation activities with your family & friends. My many services include organizing, food shopping, vacation home prepping, planning for special events or holidays, and even computer work.

Best thing you sell/serve/do?

I work with a number of clients that have second homes in the Kennebunks. I provide check-ins on their home and set it up prior to their arrival. I have been told I make their experience when they arrive actually feel like a vacation!

Something people don't realize about your business/services?

As a personal assistant I am able to be flexible on what particular services my clients are looking for. Call me to do a quick check on your home, to bring in a delivery, shop for weekends and vacations, or special events and holidays. I also make beautiful personalized baskets and gift bags.
