Beachwood Renovations

How long in business?

5 years!

Primary business/service offered?

Beachwood Renovations is a general contractor specializing in new construction, additions, renovations and remodels.

What makes your business special?

Customer service, high level GC-to-Client communication, transparency in the budget process, and competitive pricing. Additionally, we are a local company – our employees live in Kennebunk, Kennebunkport, or Arundel.

Beachwood Renovations Kennebunkport, Maine

Best thing you sell/serve/do?

We provide a level of communication and customer service that is second to none. People's homes are often their greatest asset (both financially and personally) and we ensure it is treated as such!

Something people don't realize about your business/services?

Our roots are in renovations and remodeling; hence "Beachwood Renovations". However, we have a lot of experience in new construction and have built 4 custom new builds in the past 18 months alone (along with a number of traditional renovations and additions).
