B's Roofing & Construction LLC

How long in business?

9 years!

Primary business/service offered?

Roofing and construction contractor.

What makes your business special?

As a certified roofing contractor we can offer 50 year enhanced warranties for our asphalt roof installations.

Best thing you sell/serve/do?

We serve homeowners with dependable roofing solutions, transparent pricing, and workmanship we stand behind. Our commitment is simple: do the job right, treat people fairly, and leave every property better than we found it.

Something people don't realize about your business/services?

Most homeowners are surprised to learn we have a long-term referral program designed to give back to the community. When our clients refer friends and neighbors, we show our appreciation with a premium set of Cutco knives – a gift guaranteed to last a lifetime, just like our commitment to the homes we protect.
