What makes your business special?

We are a local, non-franchised independent brokerage serving Seacoast NH, ME and MA. We are a team of 100 agents, but our culture feels more intimate. We take pride in our tightly-knit group of agents and staff, who all are community driven and focused on helping and serving our Seacoast areas.

Best thing you sell/serve/do?

Real estate representation of residential and commercial buyers, sellers, developers, and more!

Something people don't realize about your business/services?

We started Aland from the ground up in Ogunquit in 2011. For a few years, it was just us, Chris and Mariah (husband & wife team), and we've slowly built the company to what it is today! We are licensed attorneys as well and practiced law in FL and Washington DC, prior to moving to New England in 2011.
