What makes your business special?

Mousam Misfits Sanctuary is dedicated to providing a safe, loving and lifelong home for small farm animals in need. Nestled along the Mousam River, we offer sanctuary to goats, sheep, pigs, ducks and other misfit creatures, ensuring they receive the care, respect and compassion they deserve. This includes misfits who have been neglected, abused, are no longer receiving the care they need, or are disabled or hospice animals.

Best thing you sell/serve/do?

We provide love, compassion and care to animals that need it.

Something people don't realize about your business/services?

We are also the home of Scapegoats, which is a separate independent entity from the sanctuary.
