Raptor Falls roars into summer with beast-bedecked bumper boat pool

Raptor Falls in Arundel is now even cooler!

That's because they recently opened a new bumper boat pond, complete with boats that squirt water. They're a great way to cool off while having fun this summer.

The bumper boat pond has a drive-through cave with an animatronic raptor on top and of course there had to be a megalodon right in the middle (and word is it will soon shoot water out of its mouth!).

Raptor Falls is open seven days a week from 10-8 Sunday-Thursday and until 9 on Fridays and Saturdays.
