How long in business?

We have been open for a few months!

Primary business/service offered?

Classic to custom cheesecakes. Old Cape Cheesecakes serves fresh, locally baked cheesecakes in a wide variety of flavors.

What makes your business special?

At Old Cape Cheesecakes, we specialize in gourmet flavors for a decadent dessert that is sure to please! We use only premium ingredients, and all of our cheesecakes are made to order. Always fresh, never frozen, and made right here in beautiful Kennebunkport. We are a proud woman and veteran owned business.

Best thing you sell/serve/do?

My most popular cheesecake is by far the maple cheesecake topped with pecan bourbon sauce, it's a best seller! The warm sweet maple with the pecans, with just a slight hint of bourbon to wake up your taste buds. People go crazy for it!

What makes Old Cape Cheesecakes unique is that you can customize your cheesecake to your liking! Do you crave that crust? Why not order double crust! Do you like it with a little less sugar? Just ask. Do you love a specific cookie? Request it be your crust! If you can dream it, we can create it for you!

Something people don't realize about your business/services?

Almost all cheesecakes can be gluten-free! At Old Cape Cheesecakes we pride ourselves on being known for freshness and quality. Part of that quality is quality in customer service. If you have specific requests, just give us a call and we'll design a delightful cheesecake just for you!

Also, if you live in the Kennebunks, we deliver! You can choose delivery or pick-up can be arranged in Kennebunkport.
