Beacon Cottage / York County Elder Abuse Task Force

How long in business?

Beacon Cottage has been serving the community for less than one year, but the York County Elder Abuse Task Force has been around for 20 years.

Primary business/service offered?

We are a non-profit organization working for elder justice throughout York County.

What makes your business special?

We work to protect our older residents from abuse and exploitation.

Best thing you sell/serve/do?

We are constantly providing education, resources and finding innovative ways to reach audiences about elder justice.

Something people don't realize about your business/services?

We grant wishes for those over 60 years old! The first wish we had the opportunity to grant was connecting our oldest Maine resident at the time with President Bush Sr. for a personal meet and greet.
