Gerard Excavation, Inc.

Owner?

Garret C. Gerard and Laurie J.S. Gerard

How long in business?

29 years!

Primary business/service offered?

Our services include new septic system installation, landscaping design, retaining walls, roads and driveways, site work, sewer and water main work, utilities, hammer and ledge removal, building demolitions, forestry mulching, and heavy equipment and oversize load hauling.

What makes your business special?

We are a family owned and operated local business. We take pride in going above and beyond to serve our customers. We are proud that a majority of our business comes from referrals from past customers. A job is never finished until the customer is 100% satisfied.

Best thing you sell/serve/do?

We serve our customers with over 30 years of experience, thorough knowledge and unsurpassed customer service in all of our excavation projects. We always offer free estimates.

Something people don't realize about your business/services?

We offer a wide variety of excavation services, as well as a comprehensive assessment of your site before we ever move any of your dirt. Our dedication to seeing all of our work through from beginning to end has made Gerard Excavation, Inc. a leading excavation company in Southern Maine. Check out our website for a list of all that we have to offer.
