Kristin Michelle

How long in business?
5 years

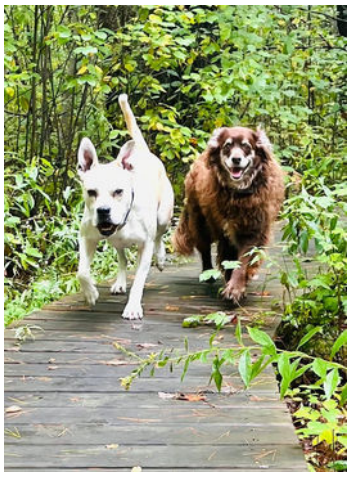

Primary business/service offered?
- Dog Walking
- Group Dog Hikes
- In-home Pet Care

What makes your business special?
We operate our Pack Adventures, outdoor group dog hikes on our family's private property, weekly and year-round right through the Winter!

Best thing you sell/serve/do?
Special attention to the individual needs of each pet in our Community. We stay in alignment with our client's requests, keeping to the pet's schedule and routine, minimizing stress and really creating a reliable special connection to both the client and their beloved pet. We offer a fun, comfortable, unique and memorable experience for each of the animal's in our care.

Something people don't realize about your business?
We are mobile and offer pick up and drop off for many of our services. Our background includes experience with obedience training, Retail Pet Store Management at Planet Dog and Inside Sales Leader at IDEXX, a Maine-based company and global leader in pet-side diagnostics for Animal Hospitals and Pet Clinics around the world. We are canine CPR certified and insured.
